ADDITIONAL PRICES + OPTIONS

PROFESSIONAL BARTENDER

\$250 per bartender

Our bartenders are not available for hire outside of our service packages.

All of our bartenders are skillful, talented and experienced professionals as well as RAMP certified. Our services require a minimum of one bartender per 50 people to ensure you and your guests have nothing less than a premium experience throughout your event. Our bartending services are contracted to arrive 2 hours prior to the event for set up, and up to 5 hours of active bartending service* with additional clean up time after the event.

BARBACK

\$250 per bar back

We like to make sure all angles are covered for your special event. Our barbacks are there to help us deliver all the goods, set up and give continued service throughout the party, not just behind the bar. This service is required at any event which has glassware rental.

*Additional staffing fees may apply for longer service.

POINT PERSON

\$300 flat rate

We require all events to hire a point person as part of staffing. This person's role is to oversee all of our services for the duration of the event. They will be the point of communication between Lo Bar and the venue as well as to you, the client and/or your event planner. They make sure that we, as a team, have met all the requirements of the venue in regards to responsible service, house policies, and end of the event clean up. This person is trained in every role, and in some cases doubles as an acting bartender or barback.

TRAVEL CHARGE

We charge a flat fee to travel outside of a 15 mile radius of the city.
